## **Survey on your experiences of attending a Get Online Week event**

We are Good Things Foundation and we work with local organisations to help people get on the internet and do more online.

We'd love to **hear your views** on the event you've attended today, and any support you've received from this organisation to **do more online**, such as:

- Free SIM or data voucher
- Free personal device eg a phone, tablet or laptop
- Using Learn My Way
- Getting help to use online services
- Learning about using AI.

Would you be willing to answer a **few questions in our survey**? It will take you around **5 minutes** to complete.

If you choose to complete this survey, Good Things Foundation will use your information to help us improve the services we offer. We will:

- Keep your personal information securely, and delete it after 2 years
- Never share your personal contact information with anyone else.

Your responses to this survey will be confidential. What you say will have no negative impact on this organisation or on the support you receive.

We may share summaries of the data collected with this organisation. However, you will not be identifiable from any data we share.
